

Otten Consulting is your partner in the intricate world of business. To the challenges set to us by our clients, we always find an individual and integrated approach.

We act as a reliable partner for foreign investors and foreign companies doing business in Ukraine. Moreover, we offer a strong network of cooperation partners, who assist us in answering your questions that reach beyond our core competences.

In terms of cooperation with the German Advisory Group our company's experts were involved in the Tax Code upgrade as consultants for the Ministry of Finance of Ukraine.
